

10-30-18 Fall River Gun Club, Monthly Meeting: At the Legion

Meeting called to order by Dan Harley with the pledge of allegiance to the flag.

Minutes of the last meeting was read, motion to approve by Jack Douthit, seconded and passed. Treasure's report was read, motion to approve by Jack Douthit, seconded and passed.

Unfinished business: Terry Cates stated that the Remington 870 12-gauge shotgun has been purchased. The two 22s will be put into there case and Dan Harley will approach the legion to see if they are willing to sell tickets for us again this year. Some signs indicating the yardage to the 300- and 800-yard targets are not up yet. We will see what it would cost for Mammoth signs to make some stickers to put on some old metal signs. We have not yet received from the state a snowblower for clearing snow on the pistol range or sidewalks. The web site and calendar were discussed. Possible new accounts and new web site with a different host or easier calendar was discussed.

New Business: New nominations for board members is now open. Those interested need to notify the board to be considered. To be eligible to hold a position the candidate must sign a certification that is outlined in the MOU. Gary Owens was at the meeting and stated he is willing to serve. **No club meeting in December** this year again since it is so close to Christmas.

When it comes to Holidays, we must contact the state as to what days they wish us to be closed. In the past it was only two days a year, Thanksgiving and Christmas. The first Sunday of every month is now a club day so some are planning on having a long-range shooting school and some wish to have a kid's shoot or a women's class for handgun training. Stay tuned to see what develops. If anyone wishes to help in any of these areas, contact a board member to let us know. Help is always appreciated, since this is your club and not just the board members let us know your wishes and together, we can do it!

Motion by Mark Sperlich to adjourn, seconded and passed.

Minutes by Secretary Mark Sperlich

PS attached is a picture of the engraved 22s that are being raffled this Feb. The dues notices and the raffle tickets are going out also.
