

Fall River Gun Club Meeting June 26, 2018 at the American Legion at 7:00 PM.

The meeting was called to order by president Dan Harley.

Roll call, Dan Harley, Terry Cates, Jack Douthit, Jose Miranda.

Treasure's Report read, Terry also gave information on different banks interest rates:

Wells Fargo, .03

First Western Bank, .15

Blk Hills Federal Credit, .20

Credit Union also has a high interest savings, if you keep a minimum \$2,000.00 interest is .50. All present thought it would be a great idea to switch, also to check on a credit card vs a debit card. Debit card, if lost the club would be responsible for any charges, credit card we would not, also no interest if paid in full at the end of each month.

Jack suggested if we can get a credit card, have a limit on it of \$500.00 on it, and to have at least two people who can go online and check the balance's.

Dan advised he spoke with John Davis about the closing date of the range on the website, John is going to correct it to the right date.

Also, John had advised he's paying about \$10.00 a month out of his own pocket for our web page, Jack advised he would look into this as we are already paying a yearly fee.

No new information on the insurance, Dan is going to call them to get a copy of the policy.

Office and shed at the range was discussed, could use some paint on the trim. Jack advised let's wait and see if we move the shed before doing any painting. Jack also discussed asking to put the donation box back outside as no one see's it in the shed, we will see if we can move it and put up a sign saying it's for the gun club for helping maintain the range.

Motion to adjourn, carried

Minutes by Terry Cates
